Jennifer,

I was hoping you might be able to connect me with whomever receives the EPA TBA applications. I sent an application in which Fed Ex indicates was delivered on 11/1/19 for Maquoketa's Clinton Engine site. The city would like me to confirm receipt by the appropriate department and inquire as to the turnaround time as they have not heard anything on it. I was thinking you had indicated about a 30 day turnaround time but wanted to verify the application actually made it to the right area and inquire approximately when the city might hear on it?

Any guidance you can provide to me is greatly appreciate. Thanks,
